

**MOUNT EVEREST  
CONSTRUCTION LTD**

HIGH LEVEL OF SATISFACTION

# 01. Mount Everest Construction LTD Who we are?

Mount Everest Construction comprises a team of ambitious individuals who believe there's more to life than just getting by. Our company name was chosen to convey a single message: aim high and never shy away from conquering your own Everest.

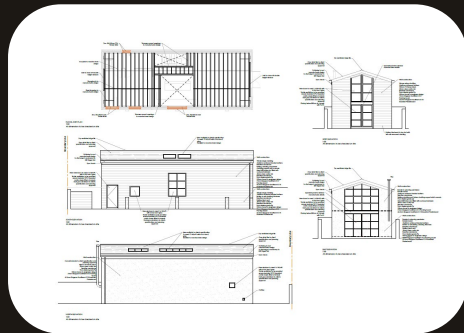

We have differentiated ourselves in today's competitive market with our focus on continuous development over consumerism. We are constantly motivated by the desire to give more of ourselves, undertaking challenging projects often considered unprofitable because they require extra effort and out-of-the-box solutions that go beyond conventional wisdom. Our reward for our readiness to go the extra mile is the trust we have earned in the market, which has enabled our consistent growth.

If you struggle to move your dream project forward because you don't know any trustworthy companies that can bring it to life, we invite you to contact us. Much like Sherpas

helping mountaineers navigate a path to their dreams, we are happy to answer any questions and assist you in manifesting yours.

We understand that everyone has their own mountain to conquer. We find immense joy in supporting others, inspiring them to tackle the challenge and experience the satisfaction of reaching the summit.

**Let us show you more about Mount Everest Construction**

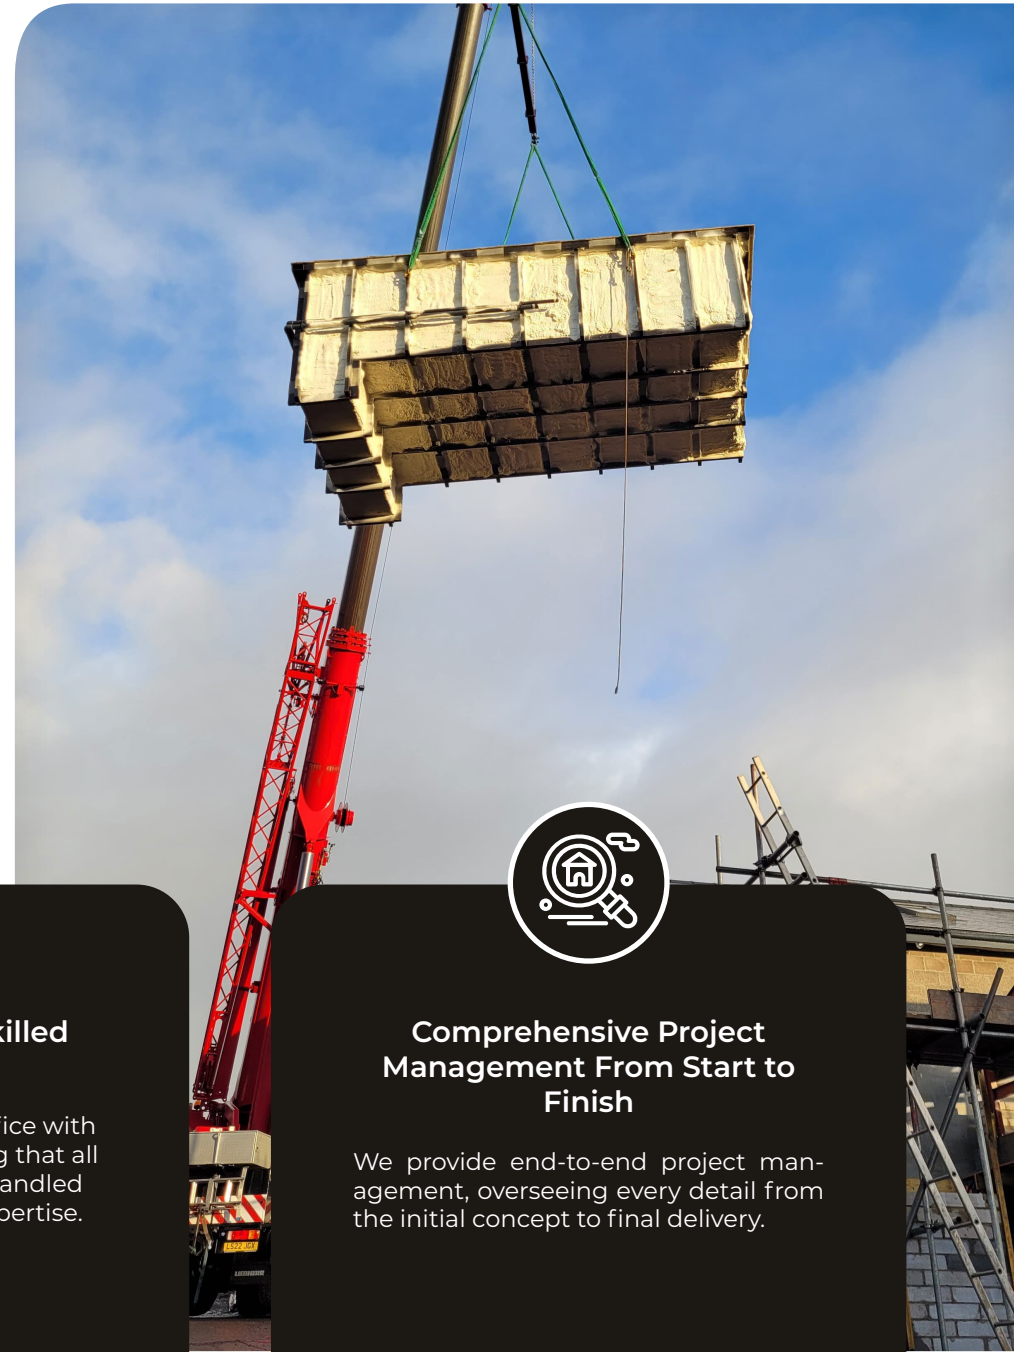

Mount Everest Construction was proud to support the Celebrity Football Game in Bristol. This inspiring event brought together local celebrities and sports stars to raise awareness and funds for Chloe's fight against Ewing sarcoma.

# 02. Why us?

The vast experience we have gained in recent years has allowed us to firmly establish our position in the construction market. Continuously undertaking projects with new technologies has proven that we find nothing impossible. In fact, additional hurdles only serve to motivate us. Here are a few key points about us to simplify things:

## Flexibility and a Broad Portfolio of Applied Technologies

Our company is adaptable, offering a wide range of technological solutions tailored to meet the unique demands of each project.

## Head Office With a Skilled Team

We operate from a central office with highly qualified staff, ensuring that all aspects of your project are handled with professionalism and expertise.

## Comprehensive Project Management From Start to Finish

We provide end-to-end project management, overseeing every detail from the initial concept to final delivery.

# 04. Barn Conversions

Gatcombe Farm - Long Ashton

These remarkable transformations blend traditional charm with modern luxury, turning historic barns into beautifully functional spaces. With an eye for detail and quality craftsmanship, our team has created homes that preserve the rustic character of the original structures while adding contemporary elements for comfortable living.

# Gatcombe Farm – Long Ashton

## Projects Highlights:

**Preserved Heritage:** Original timber beams, stone walls, and architectural details were carefully restored to maintain the barns' historic charm.

**Modern Comfort:** Open-plan living areas, underfloor heating, and modern fixtures provide the ultimate in comfort and functionality.

**Beautiful Surroundings:** Set in the picturesque landscapes of Long Ashton, this conversion offers stunning views and tranquillity while being just minutes from Bristol.

# 05. Extensions and Loft Conversions

Looking to expand your living space? Whether it's a house extension or a loft conversion, Mount Everest Construction in Bristol is here to help you make the most of your home!

## HOUSE EXTENSIONS

Create extra room for a growing family, a spacious new kitchen, or even a home office! We'll handle everything from design to construction, ensuring your new space blends seamlessly with your existing home.

## LOFT CONVERSIONS

Turn that unused attic into a beautiful new bedroom, a cosy retreat, or a functional work-space! Our team specializes in converting lofts into stunning, practical living areas.
